

Rabbi Yedidya (Julian) Sinclair  
Energiya Global

Rabbi Yedidya (Julian) Sinclair is Vice President and Head of Research at Energiya Global, a Jerusalem-based solar energy company focused on the developing world. Yedidya is also a rabbi and was the lead author of the 7-year plan for the Jewish people on climate and environment. Yedidya serves as Senior Rabbinic Scholar at Hazon, the leading US Jewish environmental organization and was previously Campus Rabbi at Cambridge University where he also taught in the Divinity School. He holds a BA from Oxford University, an MPA from the Kennedy School of Government at Harvard and lives with his family in Jerusalem.
