Study Seminar - Webinar

Organized by the Dicastery for Promoting Integral Human Development, the Permanent Mission of the Holy See to the FAO, IFAD and WFP, and the Rome Forum of Catholic-Inspired NGOs  
Tuesday 22 of February 2022 | 15:00 – 17:00 CET

(Rome, 17/2/2022) We live in an age where the Coronavirus pandemic has only exacerbated the persistence of numerous conflicts and the tragedy of hunger and poverty, yet Pope Francis reminds us that “All can work together to build a more peaceful world.” It starts “from the hearts of individuals and relationships in the family, then within society and with the environment, and all the way up to relationships between peoples and nations.” (Message for the LV World Day of Peace, 1 January 2022)

The Dicastery for Promoting Integral Human Development (DPIHD) will host a study seminar entitled, “**Artisans of Peace for a World without Hunger,**” **Tuesday, February 22nd from 15:00 to 17:00 CET** in collaboration with the Permanent Mission of the Holy See to the FAO, IFAD, and WFP, and the Rome Forum of Catholic-Inspired NGOs.

The meeting will reflect on ways to contribute to the promotion of effective and appropriate initiatives to combat hunger in the world, drawing on the diverse approaches that characterize the work and expertise of the distinguished speakers.

**Card. Micheal Czerny**, Interim Prefect of DPIHD will offer a welcoming address, which will reiterate the Holy Father’s invitation for all of us to be artisans of lasting peace. The study seminar will expand on the three important tools for building peace that Pope Francis has identified: a sincere and mutual trust-based dialogue between generations, greater investment in education and training for integral human development, and the promotion of “human” work for all so that each person actively creates a better society.

**Dr. Vincenzo Conso**, Coordinator of the Rome Forum, will moderate the meeting that will feature reflections on how to promote effective and appropriate initiatives combatting world hunger from distinguished speakers including **Dr. Luigi Sbarra**, Secretary-General of CISL, **Msgr. Vincenzo Zani**, Secretary of the Congregation for Catholic Education, **Dr. Marta Pedrajas**, DPIHD, and **Dr. Harriet Spanos**, Department of Risk of the World Food Programme. Interventions from **Dr. Ria Ruiz**, Teresian Institute, and **Dr. Luzzi Lito**, Focolare Movement highlighting lessons learned from their practical experience will follow. Concluding remarks will be given by Mons. Fernando Chica Arellano, Permanent Observer of the Holy See to FAO, IFAD and WFP.
